

## Steps to Access Your Child's STAAR Scores:

1. Go to [www.texasassessments.com](http://www.texasassessments.com)
2. You will see a screen like this:

5. If you have your access code, enter the code and your child's birthdate and click "log in to student portal" to view scores.
6. If you do NOT have your access code, click on "Find My Unique Student Access Code" link.

7. You will then see a screen like this:

The screenshot shows a form titled 'Look Up Unique Access Code:'. It contains three input fields: 'Student's First Name', 'SSN or S-Number', and a date selector for 'What's an S-Number?' (Month, Day, Year). A blue circular 'Go' button is positioned to the right of the SSN field. Below the form, there are two links: 'Where's my access code?' and 'Cancel Look Up Unique Access Code'. At the bottom, a small text block explains: 'To log in and view your child's assessment results, enter the six-character Unique Access Code and the date of birth that appears on their most recent STAAR Report Card. The code must be entered exactly as it appears.'

8. Enter your child's **first name only** and his or her **social security number in the SSN or S-Number Field**, and **birthdate**. Then click the blue **"Go"** button.
9. Your access code will appear in the code field with a message saying, "Access Code Lookup Successful". Click the blue "Go" button again to see your child's scores. Be sure to write down your access code for future use. The code is good for as long as your child is in a public school in Texas.
