

GIFTED and TALENTED

Open Referral Period for GT Testing

Kindergarten - 11th Grade

October 1st to November 15th

*If you are interested in having your student screened,
please contact the Mt. Enterprise ISD Gifted and Talented Coordinator.*

Notice to Parents:

MEISD Gifted and Talented Program

Mt. Enterprise ISD provides testing for our gifted and talented program once each school year.

- If you are interested in having your student screened, please speak to the MEISD Gifted and Talented Coordinator.
- You will be asked to complete a *Parent Survey* and *Permission to Test* form.
- Testing will take place between January 15th and March 15th. The specific date will be determined by the campus counselor.
- If your student qualifies for the gifted and talented program, you will receive a notification letter of placement/qualification, and you will be asked to sign a *Parent Permission for Services* form.
- If your student does not qualify, he/she may not be referred for testing again until the *Open Referral Period* during the following school year.
- The *Open Referral Period* is from October 1st through November 15th. At that time, if you are interested in having your student screened, contact the MEISD Gifted and Talented Coordinator.

Transfer Students

If your student has been previously identified as gifted and talented in his/her prior public school district, he/she is eligible to receive services in Mt. Enterprise ISD if placement can be verified.

- To verify placement, you must provide a copy of your student's notification of qualification and placement into the gifted and talented program from your former district AND a copy of all test results used in screening.
- If you can provide the required documentation, you will be asked to complete a *Parent Permission for Services - Transfer Student* form. Once permission is granted, your student will begin receiving services.
- If you cannot provide the required documentation, your student may be referred for testing during the *Open Referral Period* from October 1st through November 15th.
- MEISD does not accept private school or counselor/physician evaluations.
