

Senior Night 2020

September 11, 2020

Dear Senior and Parents/Escorts,

Please plan to meet at the gate on the south end of the bleachers near where the band sits at 6:45 p.m. When everyone arrives, I will help you get into order for the recognition presentation. We will begin with football players, then cheerleaders, and conclude with band. The students are arranged in alphabetical order, and Mr. Lee will read the script in that order. Please line up in the second track lane from the field, and then step forward one lane when your names are called. Please plan to arrive on time. Due to the time rules enforced by the University Interscholastic League, there is very little time for delay. If you are not present when we begin, we will not be able to wait. We must conclude with all pre-game activities by 7:00 in order to begin the ballgame in accordance with University Interscholastic League rules. I thank you in advance for your cooperation with the limited time schedule. Please do not hesitate to call the school if you have any questions or concerns. My conference period is 11:15- a.m. to 11:45 a.m. Additionally, due to UIL COVID 19 mandates please plan to wear a face covering while waiting and lining up. Once families are in family units and socially distanced in the line-up, you will be allowed to remove face coverings for the recognition presentation. Once the recognition concludes, please plan to wear the covering again.

Respectfully,

Mrs. Fryman
